for the following articles:

Range of dyed knitted 100% cotton, 100% polyester, cotton/polyester and cotton/elastane t-shirts, polo shirts, sweat tops and jogging bottoms. Some t-shirts may include pigment prints. Dyed knitted 100% polyester outdoor fleece. Dyed woven Poplin and Oxford cotton/polyester shirts. Men's underwear made of white and dyed 100% cotton and cotton/elastane and socks made of white and dyed cotton/polyester/nylon/elastane. Including accessories: sewing/embroidery threads, labels, interlinings, zippers, polyester buttons, elastics, metal eyelets, tapes and cords. Based on pre-certified materials according to STANDARD 100 by OEKO-TEX®.

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, Appendix 4, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Appendix 4 for products with direct contact to skin.

The certified articles fulfil requirements of Annex XVII of REACH (incl. the use of azo colourants, nickel release, etc.), the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass) and of the Chinese standard GB 18401:2010 (labelling requirements were not verified).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

The certificate 08-5295 is valid until 31.12.2020
